End of Term/Farewell Assembly 2pm Start
Beginning of Term 3 - Welcome Assembly

Parting Words From Mr Mac ...

Last newsletter intro – I have done about 270 of these over the years!

Thanks everyone for the best wishes and thoughts passed on as I've been getting ready to finish at Hinuera School.

I have loved working with you all, and your amazing kids.

I'll be looking forward to seeing you at some point around

Hinuera or Matamata.

Take care - Dean.

End of Term Assembly

The day of the final term assembly and farewell to Mr Mac is nearly here. Proceedings for this event will begin at 2pm in the school hall. We are anticipating quite a crowd, which will mean parking will be at a premium. For those who are able, we ask that you make use of the Rugby Club carpark and walk through to the school grounds. Safety is paramount so please take extra care as there will be parents and children walking about.

Our buses will still be running on the day, so bus "pull in" areas at the rear of the school and outside the staff carpark, will need to be kept clear at all times. Could all parents intending to take their children home after the assembly, please notify the class teacher to ensure bus lists are up to date and we have a knowledge of where all students are.

Thanks to those who have registered for the afternoon tea. Due to numbers, this

will now take place in the hall rather than the library as previously indicated.

Prose Finals

Our senior students gathered together on Wednesday last week for the final show-down in the prose competition. This is a hotly contested event as points go toward the Hopkinson Oral Language Cup at the end of the year. It was interesting to see that a lot of our boys really shone through this year with results as follows:

Year 4

1st Hudson Richards
2nd Archie Barron
3rd Jaxon Smith

Year 5

1st Shay Johnson
2nd Beau Neal
3rd Olive Barron

Year 6

1st Zach Lentfer
1st = Shepherd Richards
3rd Willow Watkins

Congratulations to these place-getters along with all those who made the finals. Public speaking is something that even adults can find challenging so well done to our young people.

Ag Day

All families would have received a notice regarding Ag Day 2021 which will be held on Tuesday 28 September. Next term there will be updates and entry forms for those wanting to enter an animal this year. Meanwhile you will have received a seed potato to raise in preparation for the "spud in a bucket" section of this event. This is a fun event that everyone can get involved with so follow the guidelines on the notice and give it a go.

Farewell

Along with bidding farewell to our Principal we are also saying goodbye to Adele, our Reading Recovery Teacher. Adele has been with us a number of years helping those little people who struggle to get a strong foothold on the reading ladder. She has been a valued staff member and her energized presence will be missed on our team. We wish her well for the future.

Headlice

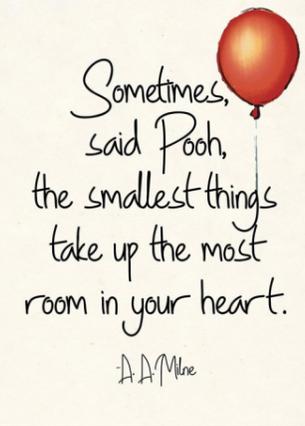

Every now and again these little critters seem to do the rounds. Unfortunately we have had another round recently so please be diligent about checking your child's hair for any signs of their presence. There are a good selection of treatment products available from the local chemist if needed.

Carpark

As many of you are aware, work has begun on the new school carpark. Thank you for your patience during this time. It's going to be a case of maneuvering around the various stages as they progress. Be safe and take direction from those working on site. Hopefully they will make some good progress during the holidays and we can all enjoy the much improved facilities.

Welcome

At the end of every farewell there is a new beginning and we will be taking time at the first assembly of Term 3 to welcome our new Principal Bex Kilgour. Keep an eye on the school Face-book page over the holidays for details of this event. She will be in a familiar environment, having worked here before, but there will be a lot of new faces for her to meet and greet.

SAUSAGE ROSTER

The following people have volunteered to do the sausage sizzle for the final week in Term 3 Many thanks.

9 July
Holly Barron & Vicki Tapper

STUDENT WORK...

The children in Kauri R4 have been thinking about Mr Mac and the special memories they have of him. Here are just a few to make you smile ...

When it was my first visit, he showed me to my classroom. He made me brave.

Olivia S

When he makes funny noises at Discovery Time when he's doing a puzzle.

Annabelle

When he went on the slide he went down fast and every time he won. When he went down he got a wet butt. It was so funny

Caleb

When he wore his LIC hat to school and I did too and when he told funny jokes.

Daniel

COMMUNITY NOTICES ...
