

HINUERA SCHOOL NEWSLETTER

TERM 4 Issue 2

29 October 2020

What's Happening?

November

6th Friday Dunn cup
20th Friday Athletics Day
25th Thursday Interschool Athletics

Great to see the days warming up – summers on the way!

Please make sure you talk with your kids about how it is important to keep learning all they can, right through to the end of the year. There's still over 15% of our school days left, so at least 15% of what they learn this year is still to come! Because of the year we've had, and the fact that they know their teacher, routines and classroom better than ever, with some effort they can probably get into bonus territory and learn even more. So please continue to encourage kids in their studies, right through to the end of the year.

Ngā mihi nui – Dean

We would like to extend a big Hinuera welcome to the following student who recently joined our Hinuera family.

School Photographs

Thankfully the weather was kind to us for school photographs on Monday and the photographer was able to use our lovely native forest area as a backdrop. This always provides a nice setting and is very much an identifying feature of our Hinuera School landscape. In the next little while your child will be

sent home with a code slip. This contains a keycode which will enable you to go online to order any photographs you would like from the various packs available. We will send out a reminder when these slips go out, so you know to look for them in schoolbags.

Sunhats

Just a reminder that in Terms 1 and 4, we require all children to wear a sunhat when playing outside. Hats must have a full brim, so no caps allowed. We have hats available through the school if you would like to purchase one, but a hat from home is perfectly fine. Please ensure all hats are well named as they do tend to wander, given that they are an item that is off and on during the day. Any child without a hat on any given day will be required to play in shaded areas only.

We pride ourselves on being a Sun-Safe School so please help us to keep our little ones safe, as sun damage caused in younger years can have an impact for them later in life.

Dunn Cup

Best wishes to the team representing us in the annual Dunn Cup Football match at Te poi on 6th November. Rata and Tanekaha students should have brought home a notice about this today, so parents are asked to read and return this ASAP.

Keeping Ourselves Safe

Classes have begun working on these studies this week, so make sure you are discussing how this is going with your children. If you have any queries at all, please contact your child's teacher, or give me (Dean) a call at the office.

2021 Enrolments

If you are aware of any families in the community who are intending to come to Hinuera School, and may not have their name on our pre-enrol list, could you please encourage them to get in touch with the school ASAP so that we are able to plan for the year ahead.

Student Helpers

Some of our R8-Tanekaha students have been learning some valuable skills in leadership, helpfulness, kindness and sharing, by assisting some of the younger students in R2 - Kowhai. Our Kowhai students in return have gained trust, friendships and assistance from interacting with the "big kids". Check out a couple of the photographs snapped by Miss Brown.

Book Club

Just a reminder that the latest Book Club issue is out and is due back at the office by

3rd November. You are as always, welcome to place the order yourself online and it will be delivered to the school with our bulk order. If you have placed an order and would prefer to pick it up yourself rather than having children bring it home, please let us know at the office.
